Cell: (720)329-4253
cvgo2000@gmail.com

With a diverse background combined with a strong work ethic, my strengths include working in a team environment while contributing a mind devoted to problem-solving and core leadership skills. I am currently enrolled in DU's Full Stack Coding Bootcamp.

WORK HISTORY

Imaging Specialist/Project Lead – Exela Technologies November 2012 to present

Contract representative to Anthem Blue Cross/Blue Shield operations in charge of scanning solutions for customer accounts, troubleshooting issues with filing insurance claims.

Maintenance Lead - Kohl's Department Stores Mar 2007 to November 2012

Performed basic maintenance of the store at Kohl's Castle Rock location. Supervised housekeeping staff in daily upkeep of the facility. Identified problem areas requiring more than first echelon maintenance, coordinating repairs in a timely fashion. Daily interaction and communication with both store staff and customers, requiring excellent customer service.

- Supervised 3 associates
- Mechanically inclined
- Detail oriented due to nature of position
- General familiarity of floor cleaning equipment

Customer Service Team Lead - Pitney Bowes Management Services Nov 2000 to Oct 2006

Supervised day to day operations of a shipping/receiving center for client. Received/shipped mail and packages, assuring timely delivery of mail and freight to customers in a moderately sized office facility. Managed and maintained printers, copiers and logistical needs for the facility. Expedited shipping for customers, coordinating with courier companies for time sensitive needs.

- Renewed yearly contract with client for entire time with company due to successful operations
- Managed upwards of 7 employees at peak
- Was responsible for monthly detailed budget reports and delivering cost saving initiatives to client
- Oversaw introduction and implementation of the Ascent shipping system
